NOTICE OF TEMPORARY ROAD CLOSURE

To: Property Owners, Residents, Businesses, Emergency Services
Re: **Terrace Hill Street** between St. Paul Avenue and Elizabeth Street
Date: Monday, **October 16, 2023** at 6:00 am to **September 2024**

As part of the Brantford General Hospital (BGH) Emergency Department (ED) Renovation Improvement Project to support the delivery of timely and high-quality patient care, a portion of Terrace Hill Street will be temporarily closed. The street will be closed from St. Paul Avenue to Elizabeth Street **beginning at 6:00 am on Monday, October 16, 2023.**

McClure Centre and hospital parking lot B will only be available via Dundas Street. McClure Avenue will be closed at Terrace Hill Street for all traffic EXCEPT emergency vehicles only. Hospital parking lot C will remain open and the entrance/exit will remain unaffected, however approach is only possible from Terrace Hill between Elizabeth Street and West Street. All hospital parking lots remain open.

We regret any inconvenience that the temporary closure might create and kindly ask you to follow the signage for your safety during this period.

Thank you for your patience and support as we work to renovate the ED to better serve the health care needs of the community. While the project is anticipated to take 3.5 years, the road closure will be in effect for approximately 1 year. BGH doctors, staff and volunteers are ready to assist residents who need care.

If you have any questions about the ED renovation improvement project or the planning of the new hospital building, please visit the hospital's website at: <https://reimaginebchs.ca/> or contact us at: reimagine.bchs@bchsys.org
