

Frequently Asked Questions | BCHS Call for Land: Biddingo RFP Process

Q: Is the Call for Land open to everyone?

A: Yes. The Call for Land is open to all landowners who wish to submit their site for consideration and can be viewed here: www.biddingo.com/bchs

Q: Does it cost anything to view the RFP?

A: No. The Request for Proposal (RFP) is free to view and can be accessed through the Biddingo BCHS Call for Land Submission Portal. The RFP includes the site evaluation criteria, submission requirements, and timelines.

Q: Are there any fees associated with submitting a bid through Biddingo?

A: Yes. While it is free to register and view the RFP, there is a One-Time Document Access fee of \$40. Additionally, there is a \$25 fee submission fee per site submission. These fees support the administration of the submission process through the third-party Biddingo platform and ensure submissions are complete and properly managed.

Q: What is the deadline to submit a site?

A: Stage 1 submission deadline is February 10, 2026 at 3:00 p.m. EST. Only bid submissions completed through the Biddingo portal by this time will be considered.

Q: How can we ensure that this is a fair and equitable process, where all submitted sites are considered?

A: Submitted sites will be assessed against the published evaluation criteria outlined in the RFP as part of an independent, transparent site identification process.

Q: If I'm having an issue with Biddingo, who can I contact for assistance?

A: If you are having issues with Biddingo, please contact our Biddingo account manager as follows from Monday – Friday from 8:00am – 4:00pm:
